MINIMUM PREMIUM

- **\$5,000** for a full excess limits policy
- **\$2,500** for a specific project excess limits policy

MINIMUM DEDUCTIBLE

N/A

If you'd like to pursue excess limits with PUA, please forward a copy of the primary policy, a copy of the application that was completed for the primary policy and current loss runs for our further review. We'll also need a specific project excess supplemental application completed if the excess limits request is for a specific project.
